VANCOUVER COLLEGE - A Growing Campus

Vancouver College, a residential and day school founded in 1922, is conducted by the Christian Brothers of Ireland, a world renowned teaching organization. The Brothers, who have dedicated their lives, without remuneration, to the education of the boys, have a tradition of conscientious promotion of this essential work. After more than forty years of progress the College enrollment has now reached nine hundred fifty students, of which one hundred twenty are residential students.

The College is situated on a spacious nine acre campus in Shaughnessy Heights, which provides accommodation for all types of outdoor sports. An auditorium-gymnasium with 10,000 sq. ft. of playing area has a seating capacity for 1200 spectators.

McCormack Hall houses the residential students in comfortable, well-kept dormitories. Large and colorful student lounges provide homelike comfort with modern attractive furniture, and are equipped with TV and hi-fi.

The main school building, named Lannon Hall, provides classrooms, offices and library. The facilities for the Public Health nurse are also located here. Mackin Hall, which was completed in 1957, provides eight classrooms and a spacious cafeteria with a modern kitchen.

Nichol Hall, the most recent addition to the campus, was opened in 1964 and contains seven modern classrooms to accommodate the insistent demand for the type of training offered at Vancouver College. In addition, a large laboratory provides complete facilities for 42 students working individually. Adequate and separate storage-workrooms are provided for chemistry, physics and biology.

Sports also play an important role in the College training. This tradition of vigorous competition in sports has resulted in a strong athletic interest among the students, who not only support the regular College teams, but also participate in a wide variety of intramural sports.

DEDICATION

Rev. Br. F.R. Finch

Whether the classroom is in bustling New York City or in more leisurably Vancouver, Br. F.R. Finch is at home there. His life is surrounded by and centered on boys. His one pursuit in life is the transformation of the students under his guidance into well-rounded young men of high Christian principles.

Brother obtained his Bachelor of Science degree at St. Mary's University in Chicago. After a number of years he was transferred from New York to Leo High School in Chicago, where his excellence as a basketball coach was developed. He served as principal at O'Dea High for six years, then went to Iona Prep for some time. Brother made his first appearance at the College from 1955 to 1957, during which time he served as Senior Boarder Moderator. He then spent three more years at Iona Prep before being appointed principal here in 1960.

Since then, Brother Finch has worked incessantly for the welfare of the school. He joined with Sts. Peter and

Paul Parish for the building of the new Nichol Hall, of which there had been such a growing need. He is responsible for the addition on the gym, which added immeasurably to the convenience of the Glee Club as well as the athletes.

The six years during which Brother Finch has been principal of the College have flown by for most of us. But in this short time we have grown accustomed to his mild-mannered presence and, though he has accomplished so much materially in this period, it is this amiable personality and warm spirit that we shall long remember. Brother's patient explanations (often punctuated with his own type of dry humour) of many a physics or math problem are much appreciated by all of his students.

It is with a deep feeling of gratitude, respect, and admiration that we dedicate our efforts to Brother F.R. Finch in this, his final year as principal of Vancouver College.

Br. Finch coached his 1962 basketball team to second place in the B.C. High School Championships.

M.M. JOHNSON, D.D.

Two Ex-College Students Recently Ordained

Fr. Leo Sweeney, O.M.I.

Rev. Leo P. Sweeney, O.M.I., a member of the illustrious Vancouver family, was elevated to the holy priesthood on June 26, 1965. Fr. Sweeney graduated in 1950, after four action-packed years at the College. An avid football supporter, he played for the U.B.C. Thunderbirds and later for the B.C. Lions before joining the Oblate Fathers.

Fr. Robert Chisholm, C.S.B.

Rev. Robert Chisholm, C.S.B. ordained on Dec. 18, 1965, grew up in Our Lady Of Perpetual Help Parish. Father came to the College as a sophomore and graduated three years later in 1952. After attending U.B.C. for four years, he joined the Basilian order. Father is now continuing his studies at St. Basil's Seminary in Toronto.

On the First Friday of the month we rearrange our schedule to spend an hour together in prayer and song at the Holy Sacrifice of the Mass.

The Glee Club, accompanied by Stanley Kazun, leads the student body in song at a first Friday Mass.

Father Hartman, this year's retreat master, leads the high school students in their three days of devotion.

The statue of Our Lady, a campus landmark, is a site of daily devotion for many students.

Most Rev. JAMES F. CARNEY
Auxiliary Bishop of Vancouver

It was in September 1929 when James Carney was first registered by Br. P.B. Doyle, principal of Vancouver College, as a student of the school. He was placed in the class known as 9 "A" (There were two Grade Nine classes at the time). Among his classmates were Jim Lipp, present president of the Alumni Association, Captain Bertram Owen-Jones, Jack and Harris Munsie of Princeton, Lloyd Turner, Joe Keys, Maury and Doug Roberts, Ernie Felton, Jack McMillan of Calgary and Joe Kennedy, to name a few, under the guidance of Br. M.C. Murtagh.

This promising young student was, however, not destined to enjoy the privilege of a V.C. graduation, for he received a higher calling, his invitation to the holy priesthood. James Carney joined a number of other fellows who were similarly inclined and made the long journey to St. Joseph's Seminary in California for a year.

In September 1931, Jim returned briefly to V.C. where he joined his old classmates, then in Grade 11. He remained there for approximately four months while awaiting the completion of Vancouver's first seminary in Ladner. It was eleven years later, in 1942, when Father Carney was ordained.

He spent the next nine years as an assistant at Holy Rosary Cathedral. After two and a half years in Aldergrove, Fr. Carney was sent to Corpus Christi parish in 1953. He was appointed pastor the next year.

Father Carney's marvellous work in the development of his parish is well known. Within ten years he had built a whole new parish center — church, school, auditorium, convent, and rectory. Under his leadership almost all the debts thus incurred have been paid.

In 1964, Archbishop Johnston appointed Fr. Carney the Vicar General of Vancouver, and bestowed the title of Monsignor on him. Among his new duties was the complete maintenance of the archdiocese while the Archbishop was in Rome for each of the last two sessions of the Vatican Council. Bishop Carney's consecration on February 11, 1966 in effect made "de jure" what he had been doing "de facto" for the past three years.

And so it is with much pride and warmest congratulations that we at V.C. pay due tribute to our new Bishop, Most Reverend James F. Carney "of the class of '33."

Archbishop Johnson, Bishop Carney, Archbishop Pignatelli and Bishop O'Neill celebrate Holy Mass during the new Bishop's consecration. Father Mallen is Master of Ceremonies.

A portion of the 9A class of 1929-30 shows in the front row James Carney, Joe Keys, Eddie Horsman, Don Rothwell and Norm Flowerdew. Behind them we see Lloyd Turner, Jim Morgan, Joe Knowland, Maury Roberts, Bill Sutherland and Jack Munsie.

Father Carney was raised to the dignity of Monsignor in February, 1964.

Bishop Carney distributes Holy Communion to his parents, Mr. and Mrs. John Carney, and his sister, Sister Mary James, during the ceremony of his consecration. Archbishop Pignedoli, the Apostolic Delegate of Canada, stands beside Bishop Carney.

25 Years of Faithful Service

After 25 years of service in the Vancouver College kitchen, Lee, the head cook, is just as well appreciated by today's hungry students as he was when he began here in 1939. He was born in Victoria, B.C., from which he and his parents moved to Hong Kong. Lee grew up in the Orient, and in his early twenties, his schooling finished, he decided to move back to Canada. Gaining competence by cooking in lumber camps and restaurants around the province, Lee was induced to take over the duty of "chef" in the old kitchen in the Brother's residence. He transferred over to Mackin Hall in 1957 and has reigned happily in his new kitchen since then. In all its history, Vancouver College has had no employee more faithful and loyal than Lee Wai. Boarders, day students, and faculty, even to the past generation, remember him with affection and gratitude.

SPORTS

College shows fancy running as Como Lake prepares to eat dirt.

VARSITY FOOTBALL '65

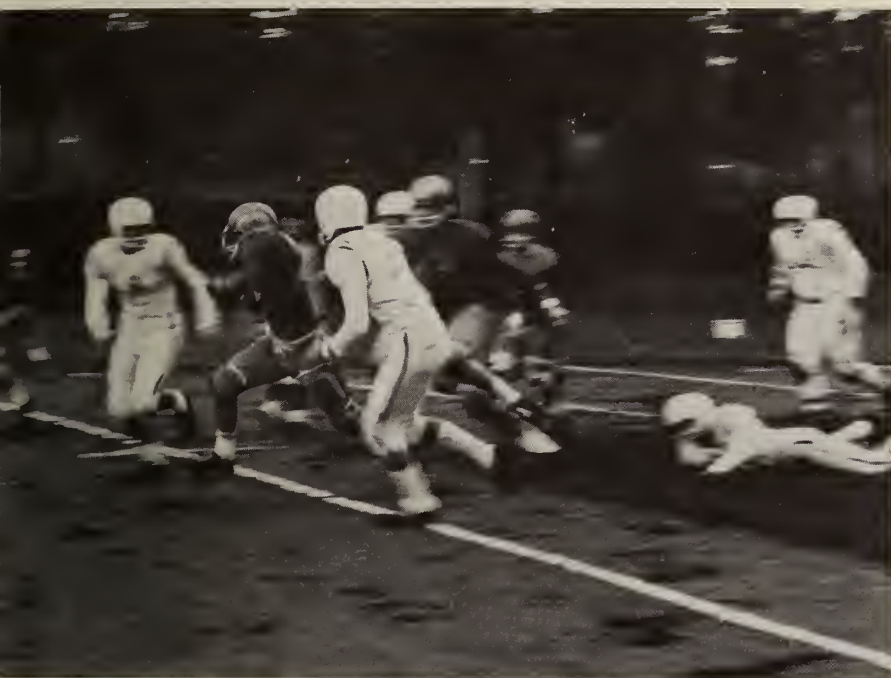

Dave Conley runs round the end under the protection of big Blair McCarry.

This year's Irish again had a busy, tough schedule, but, as usual, swept powerfully over all Canadian opposition. Headed by Coach Bob DeJulius, the team proved that College spirit is as strong as ever, again bringing back the Skyline League Trophy, this time with a deficit of only 2 points. Aldergrove fell 31-0, and Como Lake was crushed to the tune of 43-0. Como Lake had a strong team this year, but Queen Elizabeth proved tougher and stronger, although they were downed 7-0. St. Thomas More was swept over 27-0, and then came the Notre Dame game.

Last year's contest for the Archbishops Trophy was a battle from start to finish, ending in our favor by only one point. This year it was rumoured that we would lose. The Irish did not think so, and the game was ours 26-2.

The American games, however, were a different matter; but the team never gave up and out of the four exhibition games, Bellarmine fell 14-13. Through the accurate kicking of John Steele, the fine quarterback displays by Murph Costello and Brian Longpre, the fancy running of Joe Bell, Joe D'Attilio and Dave Couley, supplemented by such battle veterans as Jerry Heys, Jim Golinsky, Dan Fritz, Fred Galloway and Ted Black (who was injured early in the season) the other American Teams found us tough and worthy opposition. Overall it was a good season.

Joe D'Attilio, on his way to the award for most valuable back of the game, breaks through Notre Dame defense.

John Beaton takes evasive action.

LAST ROW: Dave Conley, Murphy Costello, Gerry Heys, John Alton, Brian Longpre, Ted Black, Pat McGuire. *THIRD ROW:* Managers - Tom Kolstee, Harold Marsden, Andrew Nagy, Jim Nybo, Phil DesMazes, Mike O'Brien, Bob Mackin, Andrew McKenzie, Coach DeJulius. *SECOND ROW:* Tom Jaworski, Martin Lewis, John Steele, Bob Francis, Jim Golinsky, Blair McCarry, Michael Stephens, Jim Nybo. *FRONT ROW:* Darrel Matthias, Dennis Hugh, Bill Ward, Bob Fritz, Stewart Sung, Joe Bell, Dan Fritz, Terry Zweng.

Gladwin comes within one yard of touchdown for second string.

The mighty Irish hold this Notre Dame ball-carrier to a small gain.

Gladwin gains another twenty yards.

This year the future Irish fought one of the toughest Schedules ever. Under the leadership of their new coach, Mr. Rizak, they played seven teams, much bigger than themselves, and still attained a record of two wins and five losses.

College runner chalks up another score for Irish.

VARSITY BASKETBALL

Br. Finch has successfully coached the Varsity team for the last six years.

The '66 season turned out to be very successful for the Irish basketball squad, and a grand finale for Br. Finch's final year of coaching at V.C. With a tremendous record of 22 wins and 4 losses, it was not suprising that College walked off with two firsts and two seconds out of four tournaments, and became a leading contender for the B.C. Tournament Championship.

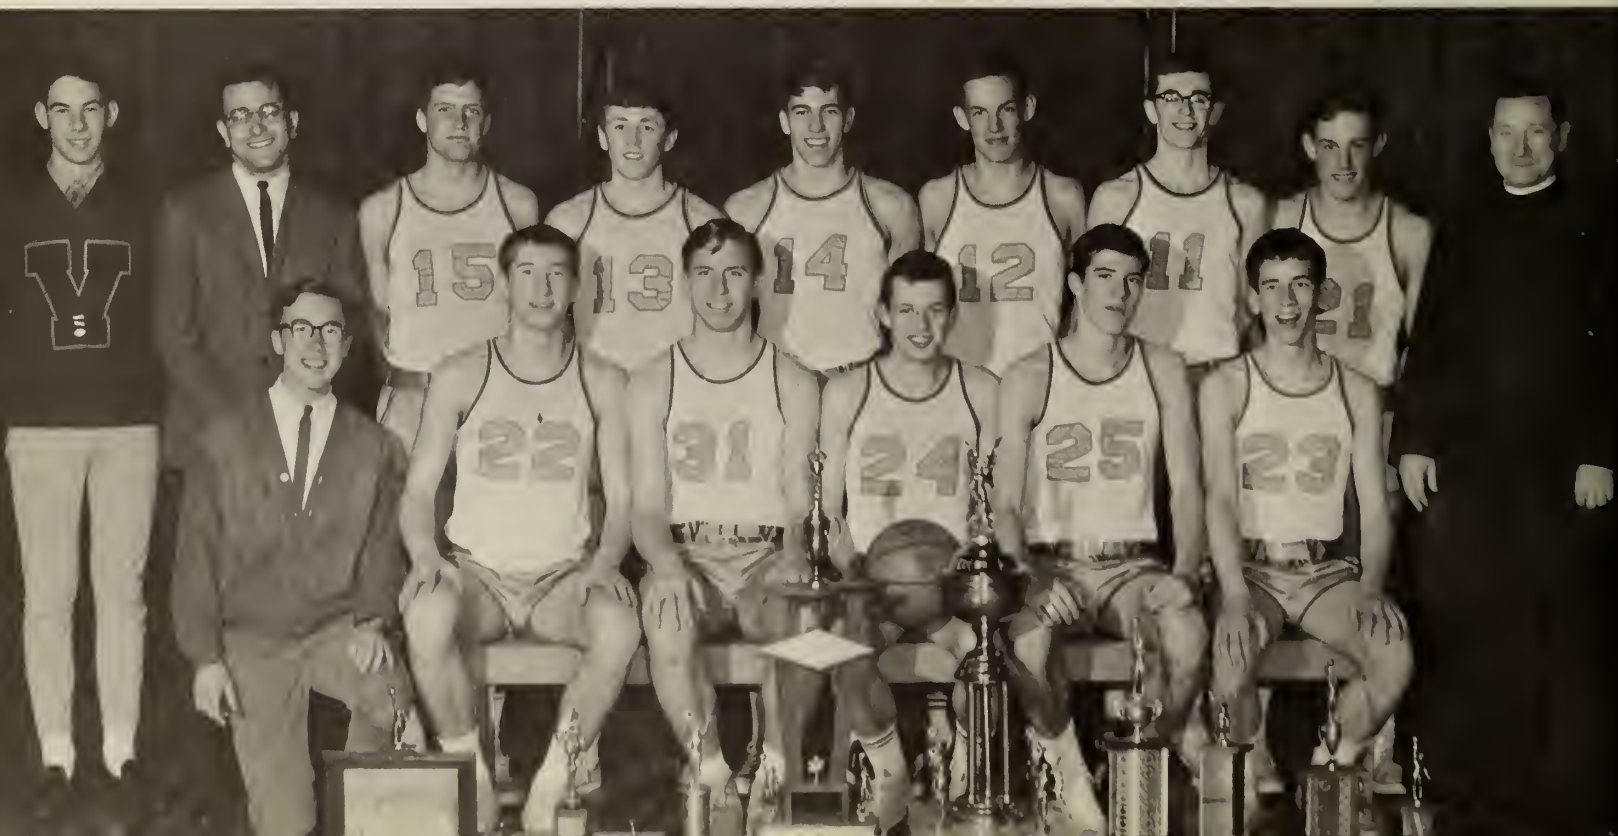

Leading the way in team spirit and fiery determination were team captain Kevin Mooney with an average of 10 points per game and our highest scorer John Beaton with 15 points per game. Dave Hislop and Bob Beaupre hauled down the all-important rebounds and put in 9.6 and 9.8 points per game respectively. Aided by the Spirit of the second team, the first stringers unceasingly improved themselves as the season progressed.

This marks Br. Finch's sixth and last year of coaching the Varsity. Since he has been here, the Irish have been in the B.C. Tournament three out of six times. All we can say is, "Congratulations, Br. Finch!"

During half-time Br. Finch talks over strategy.

BACK ROW: Richard Cadieux, Mike Munsie, Phil Eivemark, Paul Girody, Tom Pink, John Mills, Dennis Kelly. FRONT ROW: Cal Ross, Jean Chalifoux, Rick Ingram, Paul Meloche, Hugh Legg, Hector Mackay-Dunn, Mike McCarthy.

This year's J.V. team, moderated by Br. Martin and with the expert coaching of ex-UBCstar, Mr. Rizak, had a fine record of 15-5. Their most rewarding victories came in the Cross Mainland League when they defeated the Intermediate teams of North Surrey and Queen Elizabeth. Although a fine team effort was given in each game, the sharp-shooting of Dennis Kelly and the fierce rebounding of Darrel Matthias might be singled out as high points.

Tom Pink evades his Abbotsford opponent to breeze the net.

Abbotsford tries in vain to stop the J.V.'s.

Dennis Kelly sinks the globe for another two points.

Darrell Matthias goes high for another two points.

MIDGETS WIN PROVINCIAL TITLE

Br. Pender gives words of advice during half-time.

This year's midgets, coached by Br. Pender, were CYA champs with an impressive 13-0 record. Overall their record stands at 38-9, with losses to Juvenile and Bantam teams, whom they played for greater game experience, their only setbacks. The team was well-balanced and all five starters, paced by Greg Smallenberg's 14 point a game average, scored consistently.

The provincial play-offs were held in Cumberland this year. For the first time since 1963 the Fighting Irish Midgets won the championship. Mike McKay-Dunn and Hugh McKinnon were named to the All-Star Team. Tony Pulice got honourable mention.

The Midgets beat Kelowna 28-12, Duncan Kinsmen 24-15 and Alberni 28-21 in the round-robin tournament.

John Zadeiks strains hard as he winds up for the discus throw.

The year 1965 was a fairly successful one for the Irish track team, although we lost the meet itself by half a point over a dispute.

The V.C. team completely dominated the distance running obtaining first, second, and third in the senior mile and also the 880, and the first two berths in the 440. The firsts went respectively to Terry Geluch, Murph Costello, and Brent Gilker.

At the end of the day, when the points were totalled, College had walked off with the boys' team trophy.

This year's team, was chiefly composed of seniors. In the three tournaments the Irish entered (Burnaby South, B.C. Novice, and East Bremerton), they placed first, second and third.

The coaches, Mr. Schwertfeger and Mr. Ohler, were much pleased with the team, and pointed out the five most continuous winners: John Steele, Rick Ainsbury, Joe Bell, Blair McCarry, and Dan Fritz.

Rick Ainsbury shows his determination.

OUR LADY'S SODALITY

Our Sodality this year consisted of two groups, both under the direction of moderator Br. Rowland. One group is composed of seniors and has, as its prefect, Kelly Durkin. The other group, those from Grade 11, do not have a prefect.

One strong feature of the Sodality is that the boys are taught the value of the corporal works of mercy. At Thanksgiving, a hamper drive was staged throughout the school and due to avid response from the student body, several needy families were provided with turkeys and canned goods, a luxury that otherwise would not be enjoyed by these families. At Christmas a similar drive was held and produced similar results.

To make for a successful operation, the Sodality has weekly meetings. The senior group meets before class on Thursdays, while the Grade 11 group gets together after school on Fridays.

Both of the groups, during the school retreat on January 19, 20, and 21, made a closed retreat at the Augustinian Monastery in Ladner, under the supervision of Br. Rowland.

Br. Rowland and Dave Salmon go over the procedure for a future meeting.

Br. Rowland sets out a topic to be discussed by Senior Sodality members at a Thursday morning meeting.

Have you ever wondered where the multitude of unsung heroes, the cheerleaders, ushers, game promoters, ticket sellers, and dance organizers, come from? Well, the simple answer is the Associated Students' Club. This organization is principally composed of the lettermen, honor students, and class officers from Grades Eleven and Twelve.

Supervised wisely by moderator Br. Rowland, they meet once a month during lunch hour. The Club's executive consists of president Terry Fitzpatrick, vice president Ted Black, secretary Fred Galloway, and treasurer Ken Baker.

Their functions include the discussing and planning of upcoming dances, taking into consideration the date, time, band, and decorations for the dance. Another purpose of the Club is to lure, bribe, and muscle students into attending the various sports events of the school. Once they succeed in attracting the students to the games, the ushers herd them into the stands where the cheerleaders arouse their spirit into one of ecstatic frenzy. Finally, the Club's senior members work on the Grad Committee to help organize the Grad formal and certain other activities associated with graduation.

To swing is to dance to the music of the Black Beats.

GLEE CLUB

For Vancouver College, the Glee Club, as always, proved to be a valuable and entertaining activity. The senior glee club climbed in numbers from sixty last year to eighty this year with the construction of a practice room in the gymnasium, including space for storage of music and cabinet for the concert blazers.

Under the direction of Mr. Dean and moderated by Br. Lyons, the boys practise three periods a week and culminate their labour in concerts at Christmas and in the spring.

For the second consecutive year, the quartet was a successful undertaking. It is composed entirely of seniors: vocalists Gord Mantle, Tony Gallagher, and Fred Fernandez and guitarist Tim Stiles.

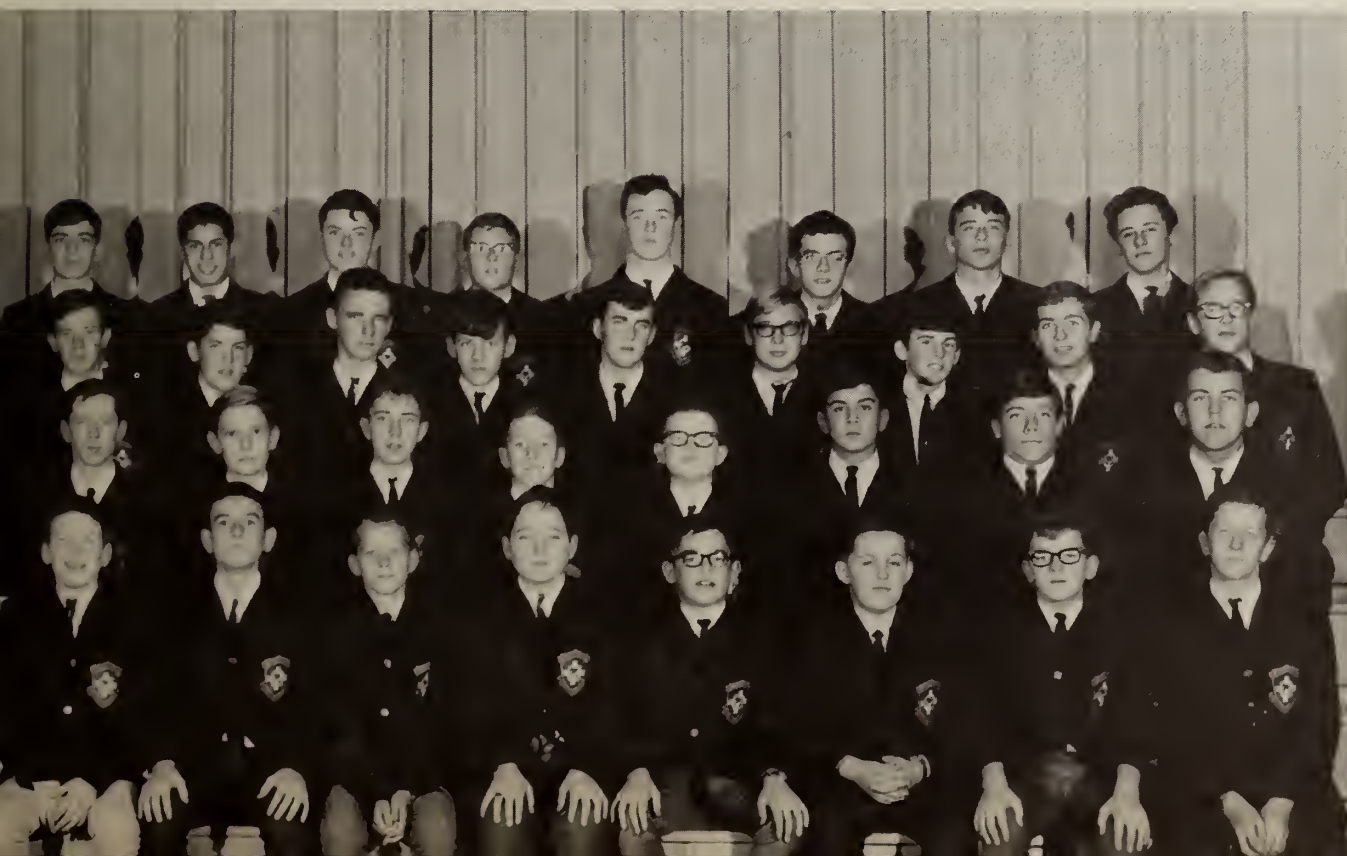

Tim Stiles, Tony Gallagher, Fred Fernandez, and Gordon Mantle let loose with another of the well practised folksongs which fascinated the audiences at the Christmas Entertainment.

"All the practising paid off," thinks Mr. Dean while conducting the Glee Club. Miss Genevieve Carey is the accompanist.

LEGION OF MARY

Legion members take a moment to engage in spiritual reading or say a quiet rosary during a Wednesday evening meeting.

A group which meets at College every Wednesday evening at 7:00 P.M. is the Legion of Mary. Moderated by Br. Barnes, the Legion has its executive, Ken Murphy, president; Dan Reynolds, vice-president; Richard Foote, secretary; and Pat Gibbons, treasurer. Their meetings consist of spiritual reading, discussions on current Church problems, saying the rosary and planning works of Catholic Action.

The Legion's objective is to honour the Blessed Virgin through prayer and good works. In fulfilment of this they have performed such various acts as saying a daily rosary in the chapel during October, and visiting invalids and elderly people in hospitals and rest homes.

FRONT ROW: Michael Harvey, Steve Graham, John Barker, Craig Boyle, Peter Grant, John Vayda, Michael Shaw. BACK ROW: Michael Stefanov, Bob Gormican, Chris Moore, Don Ross, Pat Field, Bob Cotter, Chris Dyakowski.

Treasurer Don Ross reports to the membership on the state of the club's finances.

U.N. CLUB

For those with a greater than normal interest in events and economic situations throughout the world, the Vancouver College United Nations' Club, composed of seventeen active participants from the Tenth, Eleventh, and Twelfth Grades, is a worthwhile activity. The members have as their executive Craig Boyle, president; John Baker, vice-president; and Don Ross, secretary-treasurer, and they meet bi-weekly at lunch time on Tuesdays and Fridays.

During the course of the year, they attended such events as the model U.N. Assembly in Seattle, the model Assembly at Simon Fraser, in which Craig Boyle, representing Canada in the debate, was named the outstanding speaker, the Vancouver Inter-High United Nations' Council, and various meetings and seminars at U.B.C.

Pat Field, Mike Stefanov, and Mike Shaw, representing Malta at the model U.N. Assembly at S.F.U. in February.

SENIOR BOARDERS

The Senior Boarders are an integral part of this school. Under the helpful supervision of moderators Br. Drayton, Br. Rowland, and Br. Jones, they lead a daily life which differs slightly from that of the day students. However, in many aspects, they perform essentially the same activities as their "extern" counterparts.

First of all, they are provided with regular study periods in the afternoons and evenings, so that their marks will not suffer. In their residence on the second floor of McCormack Hall, the boarders may indulge in a variety of activities, including pool, cards, checkers, television and hi-fi. A well-rounded intramural sports programme is also an essential part of their recreation facilities. All is not fun and games, though, as their duties include helping at chores, such as helping to keep the dorm in order.

No single group in the school consumes food in such huge quantities as the Senior Boarders, but then, even our head chef Lee, along with members of the faculty, admits that growing teenagers must stay healthy. To ensure that they suffer no "oppression" from such tyrants as their moderators, the boarders elected Alphonso Gomez as their president.

"Easy shot," thinks Dave Lam, while Al Gomez says a silent prayer.

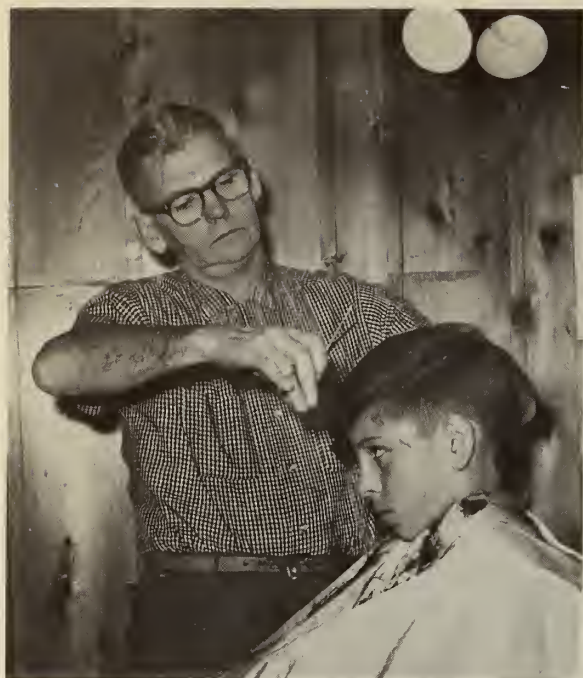

FRONT ROW: Bob Udell, Bill Hardy, John Ursich, Stephan Betkowski, Matt Wilson, Roberto Gavidia, Al Gomez, Chris DeWirth, Charlie Stauffer, Craig Wright, Don Murray, Greg Henderson, Jamie Gladwin, Allen Alberts. They come from every corner of B.C., from Alberta and the Yukon, even from Mexico and Costa Rica. They are gathered together as the Junior Boarders of V.C., mischievous and mercurial as is proper to their ages of twelve to fourteen years. Plenty of activity is provided to absorb their abundant supply of energy — sports of the vigorous variety according to the season — relaxing occupations for the quieter times of the day. But behind it all is the no-nonsense business of serious study — the real purpose of their being where they are.

Kindly but firmly, Brother Kelly attains a quiet atmosphere of discipline without making it too apparent. Assisted by Brother Manning and Brother Lynch he schedules activities to take care of all the needs and many of the interests of his young charges.

Parents who have struggled to cope with the vagaries of but one single boy of this age may often wonder how the Brothers manage to survive with sixty of them.

That's a good question.

"What . . . ! Who cleaned out my locker?"
exclaims Don Bowen.

A typical group of Tuesday afternoon bowlers reluctantly pose for a picture.

WEIGHT LIFTING

Curling 125 lbs. is no easy task, as Fred Galloway's face shows.

Blair McCarry concentrates on that 50th (and last) bench press.

With a mighty heave, Dan Fritz presses 245 lbs.

MOTHERS' CLUB

Lee Wai accepts a token of thanks from Mrs. Whittick, President of Mothers' Club, for his 25 years of service as chef at College.

Executive of Mothers' Club, 1965-66: STANDING: Mrs. D. Cliffe, Membership Convenor; Mrs. A. Whitlock, Publicity Convenor. SEATED: Mrs. I. O'Connell, Corresponding Secretary; Mrs. J.A. Beaton, Recording Secretary; Mrs. F. R. Whittick, President; Mrs. J. San Severino, first Vice-President; Mrs. K. Groff, second Vice-President.

The members of the Mothers' Club provide an excellent example for their sons by their constant and devoted efforts on behalf of College. Under the guidance of their president, Mrs. Whittick, they labored diligently on the Membership Tea, the Rummage Sale and the Spring Carnival — all highly successful. Proceeds will help defray the expenses of equipping the laboratory for the recently expanded science program.

Convenors: (seated) Mrs. D. McKimmon, Mrs. P. Mylett (standing), Mrs. J. San Severino, Mrs. P. Maguire, Mrs. A.A. MacDonnld.

Executive of the Alumni Association, 1965-66: Brother G.P. Lyons, Secretary; Leo Mulhern, Treasurer; James Lipp, President; Bill Lynch, Director; Bob Johnstone, Vice-President.

An organization that gives graduates of the school an opportunity to keep in touch with their alma mater is the Alumni Association. To keep active, the Association stages such annual events as the Alumni Basketball Game and post-game "Smoker," a golf tournament, and a banquet, which had as guest speaker Br. Darcy, the Vice-Provincial of the Canadian province.

The executive this year is composed of president Jim Lipp, vice-president Bob Johnstone, secretary Br. Lyons, and treasurer Leo Mulhern.

The presentation of the Dr. David Steele Memorial Scholarship, awarded every year to the outstanding scholar of the previous graduating class went to Jonathan O'Grady.

ALUMNI ASSOCIATION

Gord MacKenzie and Jack Dumont battle for possession of that elusive basketball.

Jim Lipp, President of the Alumni Association, presents the Dr. David Steele Memorial Scholarship to Jonathan O'Grady; while Br. Lyons looks on approvingly.

BARTLE-GIBSON CO.

Dave Hislop grabs a rebound while John Beaton ties up a Tupper opponent.

Everyone who witnessed the Second Annual Emerald Tournament will remember for many years the thrilling climax of four overtime periods. The first evening saw a strong Lord Byng team start slowly and then catch fire to demolish West Vancouver. In the second game, Charles Tupper played an inspiring game, but their effort fell short, as they lost a squeaker to Vancouver College. In the consolation game the following night, West Vancouver put up a much better show to startle Tupper.

The final, probably the most exciting contest ever to be staged in the College gym, pitted the College against Byng. The two arch-rivals waged a titanic struggle, resulting in an even first half and a Byng-dominated third quarter, but the College poured on awesome pressure to tie the score in the last seconds of regulation time. This situation resulted in the tension-packed overtime periods, but the luck of the Irish prevailed, and we were grateful champions.

Three of the enemy zero in on Kevin Mooney.

Members of the Fighting Irish prepare to defend their own basket.

Scores in the Tournament:

First Night: Lord Byng 51; West Vancouver 22.
Vancouver College 50; Charles Tupper 46.

Second Night: West Vancouver 32; Charles Tupper 27.
Vancouver College 61; Lord Byng 58 (four overtime periods).

Team captain Kevin Mooney accepts the championship trophy from Mr. Leo Mulhern (top).
Murph Costello (middle) and John Beaton (bottom) are presented with individual awards by Br. Bates for placing on the Tournament all-star team.

The score board cannot lie! In the series of pictures on the left the scores are shown at the end of the regulation time and at the end of each of the four overtime periods. This was the famous final game of the Emerald Tourney against Byng.

CHRISTMAS CONCERT

Mr. Dean as seen by the Glee Club.

From the students' viewpoint, an exciting feature of this year's Christmas concert was the guest appearance of the Little Flower Academy singing Sextet. The smaller boys of Grades One and Two, under the diligent direction of Mrs. Letcher and Mrs. Kerny, had a delightful song and dance arrangement, "An Indian Christmas Carol," where Grade One's were angels and Grade Two's played the Indians.

The high school Glee Club provided a two-part programme: Canadian folk music and a medley of Christmas songs. Selected from the talented voices of Grade Four to Seven, the members of the junior Glee Club set a Christmas-like tone with a series of traditional carols.

The Vancouver College Quartet, consisting of seniors from the Glee Club, remained with the always popular folk songs, of which those of all generations are fond. The girls' medley and their natural charm projected their appeal to a highly attentive audience.

GEOLOGICAL ENGINEERING

MINING ENGINEERING

METALLURGICAL ENGINEERING

To those students who are undecided about a career we would recommend participation in MINING, one of Canada's most important resource industries. There is an urgent and continuing need for young men of intelligence and ambition in this industry. The rewards are gratifying both in respect to personal accomplishment and monetary return.

Students acceptable to the engineering disciplines of Geology, Mining and Metallurgy should have an aptitude for mathematics and science, an interest in solving new problems and seeking new solutions to old problems, an ability to work with and to lead people and a desire to create.

GEOLOGICAL ENGINEERING:

For those who like the outdoors, who can combine intellectual effort with physical effort and who can learn to think in three dimensions, geology can be a fascinating and absorbing career. The geologist searches for the mineral deposits that constitute much of Canada's wealth but his work can take him all over the world. The larger mines have resident geologists to guide the exploration and development of their ore deposits.

The geologist is trained in such subjects as the genesis of ore deposits and the effects of the structural deformation of the earth's surface. In his search for minerals he may use the developing sciences of geophysics and geochemistry.

MINING ENGINEERING:

Employment is world-wide. The miner receives a very broad training at university because his work demands a considerable versatility. Primarily he is concerned with the efficient development and mining of orebodies but this presupposes a fair knowledge of geology and metallurgy. As the mining engineer advances in his profession he will benefit from an appreciation of economics, finance and law. His broad training and experience qualify him for senior positions in business and industry.

METALLURGICAL ENGINEERING:

The metallurgist has a very broad field wherein chemistry and the physical sciences are dominant. The work available to him ranges from the concentration of a simple ore of a mine to the treatment of complex ores, the smelting and refining of metals, iron and steel making, the composition of new metals for the space age, and research into the production and use of metals. This is a profession that would be attractive to the young man of an enquiring mind and a flair for experimenting.

Remember your first day at school? New clothes, shiny pencil.

Before you knew it primary grades were behind you

and you were in secondary school. You learned to rely on

Eaton's for what you needed in those days. Mom and

Dad did too, when they attended school. It's a good habit, shopping

at Eaton's. We look forward to seeing you again and again,

in the days to come; you and Mom and Dad.

It's a family tradition this shopping at

If You Miss a Day You're Away Behind

HISTORY just whizzes by these days, a good deal of it fraught with portent and significance. Anyone who aims to keep up with it and to maintain any sort of coherence in his view of world affairs simply can't do without a daily survey of what has happened when he wasn't looking. It goes without saying that the best way to keep track is to follow events in a comprehensive daily newspaper. Like The Sun, if we do say so ourselves.

VANCOUVER COLLEGE - A Growing Campus

Vancouver College, a residential and day school founded in 1922, is conducted by the Christian Brothers of Ireland, a world renowned teaching organization. The Brothers, who have dedicated their lives, without remuneration, to the education of the boys, have a tradition of conscientious promotion of this essential work. After more than forty years of progress the College enrollment has now reached nine hundred fifty students, of which one hundred twenty are residential students.

The College is situated on a spacious nine acre campus in Shaughnessy Heights, which provides accommodation for all types of outdoor sports. An auditorium-gymnasium with 10,000 sq. ft. of playing area has a seating capacity for 1200 spectators.

McCormack Hall houses the residential students in comfortable, well-kept dormitories. Large and colorful student lounges provide homelike comfort with modern attractive furniture, and are equipped with TV and hi-fi.

The main school building, named Lannon Hall, provides classrooms, offices and library. The facilities for the Public Health nurse are also located here. Mackin Hall, which was completed in 1957, provides eight classrooms and a spacious cafeteria with a modern kitchen.

Nichol Hall, the most recent addition to the campus, was opened in 1964 and contains seven modern classrooms to accommodate the insistent demand for the type of training offered at Vancouver College. In addition, a large laboratory provides complete facilities for 42 students working individually. Adequate and separate storage-workrooms are provided for chemistry, physics and biology.

Sports also play an important role in the College training. This tradition of vigorous competition in sports has resulted in a strong athletic interest among the students, who not only support the regular College teams, but also participate in a wide variety of intramural sports.
